Invitation Letter of SCSI 2018

Dr. Jianbing Liu
Associate Professor, Beijing Research Center of Urban Systems Engineering
Director, Urban Operation and Management Key Lab,
Beijing Academy of Science and Technology
Address: Room 806-1, West Building,
No. 16, Xizhimen South Street, Xicheng District, Beijing, 100035, China

Beijing, July 1st 2018

Dear _____,

On behalf of the Organizing Committee of the Fourth International Forum on Senior Care Science and Innovation (SCSI2018), it is my great pleasure, in all sincerity and eagerness, to officially invite you to attend the forum and give a speech.

SCSI2018 will be held on Sept. 17th to 19th in Beijing hosted by Beijing Academy of Science and Technology.

More than 500 experts and attendees from research institutions, colleges and universities, enterprises, communities, NGOs and governmental organizations will attend. SCSI2018 will keep focusing on the latest developments, excellent cases, benchmarking, business models and government policies in the healthy ageing, active ageing, smart senior care services. *Annual global report on innovation in healthy, active and smart ageing sector (2018)* will be published during the forum, which is calling for papers now.

I am looking forward to meeting you in Beijing in September and will be happy to answer any questions concerning SCSI 2018 via email: scsi@le-ho.cn. The formal invitation letter will be provided after your registration.

If you are willing to give a speech at the conference or contribute one chapter to the book, please let me know.

Sincerely yours,

Beijing Research Center of Urban Systems Engineering
